

PUBLIC NOTICE

The U.S. Environmental Protection Agency (EPA) announces a 30-day public comment period on a proposed cleanup plan for groundwater at the Nyanza Waste Dump Superfund Site in Ashland, Massachusetts.

The Proposed Plan is available, along with instructions about submitting comments, at: www.epa.gov/superfund/nyanza.

EPA will host a Public Information Session on January 23rd at 6:30 p.m. at the Ashland High School Auditorium in Ashland, followed by a Public Hearing at the same location. The public will be able to provide oral comments on the proposed cleanup plan during the public hearing portion of the event.

In addition to the January 23 public hearing where verbal or written comments may be submitted, written comments may also be submitted from January 14, 2020 -- February 14, 2020.
